Sr. No	Clause No.	Earlier provision in the DRDA guidelines	New provision	What does it mean by the new provision/ Remarks
1.	3.1	<p>Administrative costs were earlier admissible under different programmes. In order to enable the DRDAs to develop a proper personnel structure and to ensure its proper growth over years, the practice of meeting the administrative costs as percentages of each programme allocation has been given up. It will, on the other hand, be taken up as a new scheme called 'DRDA Administration' with effect from 1st April, 1999. This scheme will be funded on a <u>75:25</u> by the central and state government. The funding ratio in respect of NE States has been revised to 90:10 with effect from the financial year 2008-2009.</p>	<p>The DRDA Administration scheme will be funded on a <u>60:40</u> basis by the Central and State Government from the financial year 2015-16, subject to the ceiling prescribed in the Guidelines. However, the funding ratio in respect of 3 Himalayan States (J&K, Himachal Pradesh and Uttarakhand) and North Eastern States is 90:10. In the case of UTs 100% funding will be provided by Centre.</p>	<p>The funding ratio of <u>60:40</u> is already being followed since 2015-16 and funds are being allocated proportionately.</p>
2.	3.6	<p>The above limits will be applicable from the year 1999-2000. This ceiling will be raised every year, on a compounding basis, upto 5% to set off the increases due to <u>inflation etc.</u></p>	<p>The ceiling of administrative cost applicable for the year 1999-2000 for each of four categories of DRDAs will be raised every year, on a compounding basis, upto 5% till 2017-18 and the same will be applied for all DRDAs of a State/UT in 2017-18 according to their category. The total amount of the ceiling of all such DRDAs of the State/UT will be the ceiling for the State/UT for release of funds under the scheme which will be increased every year by 5% on compounding basis for a State/UT as a whole. Any expenditure over and above this</p>	<p>The funds are already being allocated proportionately due to administrative constraints. Any expenditure beyond the funds released by Central Government plus proportionate State share is to be borne by the State/UT.</p>

			ceiling will be entirely met by the State from its own resources. In case of non-availability of adequate funds, the Central Govt. shall allocate the available funds to the States/UTs proportionately.	
3	3.7	The state governments are allowed a sum upto 10% of the above costs, to be calculated at 10% of the total admissible cost to all the districts in the state.	The State/UT governments are allowed a sum upto 10% of the total Central share released under the scheme towards its headquarters expenses.	State Government can spend upto 10% of Central release for meeting the cost of administrative set up maintained at State Headquaeter for operating DRDA Administration scheme.
4	6.1	The scheme of 'DRDA Administration' shall be a centrally sponsored scheme. The funds required under this programme shall be shared between the Centre and the States in the ratio of 75:25 Funds will be released directly to the DRDAs, in accordance with the guidelines under this programme. The funding ratio in respect of NE States has been revised to 90:10 with effect from the financial year 2008-2009.	Funds will be released to the State/UT Govt., who will further transfer funds to the respective DRDAs/ZPs in accordance with the guidelines subject to their requirement.	Funds are already being released to the State/UT Govt., for further transfer to the respective DRDAs/ZPs. States may now restrict the transfer of funds to the actual requirement of a DRDA in case its expenditure is below the total funds available to it during the financial year
5	6.2 A (ii)	The release of the first installment should ordinarily be completed by the end of the second month of the financial year.	The release of the first installment should ordinarily be completed by the end of the sixth month of the financial year. Any proposal submitted thereafter should be accompanied by an appropriate explanation for the delay in submitting the proposal.	Proposals for 1 st installment from the State/UT shall not be entertained in normal course if received after the month of September. An explanation for delay in submission of the proposal will be required.
6	6.2(B) (i) (2)	The State Government should	The State Government should have released its contribution	In case State share for previous year was

		<p>have released its contribution during the previous year. Deficiency in release of its share will be deducted from the second instalment. Also the contribution of the State Government for the first current year should have been released.</p>	<p>during the previous year. Deficiency in release of its share will be deducted from the second installment. Also the contribution of the State Government for the first installment of current year should have been released.</p>	<p>less than its due share, the proportionate amount of Central share of current financial year will be deducted from the 2nd installment of Central share. Further 2nd instalment of Central share will be released only after due State share against 1st installment of Central share is contributed for the scheme.</p>
7	6.2(B) (i) (4)	<p>The opening balance of the DRDAs should not exceed 10% of the allocation of the year in which funds are being released. In case, the opening balance exceeds this limit, the Central Share of the amount by which it exceeds this limit will be deducted at the time of release of second instalment.</p>	<p>The total of the opening balance of all the DRDAs of the State/UT should not exceed 10% of the allocation of the year in which funds are being released. In case, the opening balance exceeds this limit, the Central Share of the opening balance by which it exceeds this limit will be deducted at the time of release of 2nd installment. For example, if the opening balance exceeds 10% of the allocation of the year by Rs.100 in the case of State of Haryana, an amount of Rs.60 will be deducted from due amount of 2nd installment while in the case of J&K the deduction of Rs.90 will be made from the due amount of 2nd installment.</p>	<p>The opening balance of DRDA Administration funds lying with the DRDAs will be totalled to see if the opening balance exceeds the 10% of the total allocation for the State during current financial year.</p>
8	6.2(B) (i) (5)	<p>Audit reports, utilisation certificates for the previous year should be furnished. This will not be required in the first year i.e., 1999-2000.</p>	<p>A consolidated Utilization certificates for the previous year should be furnished by the State Government. Audit reports, utilization certificates for the previous year should be furnished by the DRDA to the State Govt./UT Administration up to their satisfaction.</p>	<p>It means Audit reports, utilization certificates for the previous year will be furnished by the DRDAs to the State Govt./UT Administration and they, in turn ensure that the same are satisfactory. On the basis of the UC & Audit reports</p>

				submitted by DRDAs, the State Govt. shall submit a consolidated Utilization Certificate to the Central Government.
9	6.2(B) (ii)	The DRDA shall maintain the fund under the head 'DRDA administration', in a separate bank account in any of the nationalised bank. Interest earned on the funds will necessarily be used only for admissible items of expenditure under DRDA administration. They shall not be used for any programme funding or non-admissible items of expenditure, such as construction of building and purchase of vehicles.
