D.O. No. Q-13016/01/2018-DISHA

Dated: 31st May, 2018

Dear *Sh. Chandhary ji*

AS
As you are aware, The Government of India has formed the District Development Coordination and Monitoring Committee (DDCMC) (named "DISHA Committee") for the comprehensive development and coordination of all the schemes/programmes of the government. The main purpose of this committee is to coordinate between the elected representatives in the Parliament, state legislatures and local governments for the efficient and time-bound implementation of government schemes and programs in districts. Towards this, the Committee will monitor the implementation of 28 different schemes of Government of India to promote synergy and convergence for greater impact.

To support the operations of DISHA Committee and facilitate structured and effective meetings, web portal called 'DISHA Meeting Management' has been developed by NIC. It is an end to end meeting management system which schedules meeting date, time, venue, and agenda, prepare and publish meeting notices and minutes, record and assign action points, and monitor action points through the dashboard.

As an initiative of MoRD, 'DISHA Meeting Management' will be rolled out and implemented in all Districts very soon. DISHA PMU team has been entrusted with the task to initiate this activity, team will be requiring below given information regarding your district.

1. Name, Designation, official Email id and Contact number of Nodal Officers in your District responsible for the coordination of DISHA meetings.
2. Designation Masters List, attached with this email.

✓ You are therefore requested to kindly designate district level nodal officers to facilitate the seamless implementation. Contact details of nodal officers and requested information may please be reverted to disha.pmu@nic.in before 8th June 2018.

I look forward to your full-fledged cooperation and support in making this pan-India rollout and implementation a success in the state.

with regards

Yours sincerely,

Sudhaker Shukla
