D.O.No.J-11011/11/2015-RH (M&T)

Dated: 7th January 2019

Dear Sir,

As you are aware, para 6.2.3 of the Framework for Implementation of PMAY-G enjoins States/UTs to plan and conduct training of masons to ensure quality construction of houses. The detailed guidelines in this regard have also been issued vide OM No.J-11012/02/2017-RH (M&T) dated 08.09.2017.

2. The targets for RMT for the years 2016-17 and 2017-18 were included in the detailed guidelines on RMT and the targets for 2018-19 were intimated vide OM No.J-11012/02/2017-RH(M&T) dated 18.06.2018. The States/ UTs have also been intimated regarding the inclusion of Rural Mason Training as a new parameter in the Performance Index dashboard hosted on AwaasSoft vide DO No. M-12016/04/2017-RH (M&T) dated 14th August 2018.

3. The progress in training, assessment and certification of masons achieved by your State/ UT as on 17th December 2018 is attached at **Annexure** for your kind perusal.

4. Further, in some of the States it has been found that house construction sites for the mason training are not in compliance with the RMT guidelines. Therefore, it is reiterated that "House construction sites for the rural mason training may be identified and prioritized in cases where the beneficiary is old or infirm or minor or person with disability, and therefore not in the position to get the houses constructed on his own."

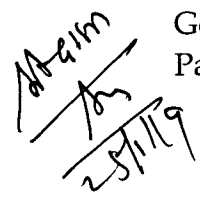

5. In view of the above, you are requested to **identify right beneficiaries for house construction during the mason training and expedite the implementation of Rural Mason Training in your State/ UT**, to achieve the targets for Rural Mason Training and to improve the quality in the construction of PMAY-G houses.

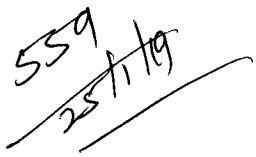

With regards,

Yours sincerely,

(Gaya Prasad)
