Rural Development Department

Ref. No. 169551 R.D. Patna
F No.: 4 - e-Shakti - 01 - 02/2013

Date: 28/11/13

From,

Amrit Lal Meena
Secretary.

To,

Shri R. Subrahmanyam,
Joint Secretary, MGREGA Division (RE)
(Department of Rural Development)
Ministry of Rural Development,
Krishi Bhawan, New Delhi - 110 001

Sub: - Support Required for Synchronization of e-Shakti/e-muster Server and NIC Portal.

Dear Sir,

This has reference to my earlier letters (Ref No.155761 dated 16.07.13 and No 158657 dated 05.08.13) to Ms Madhuri Sharma, Sr. Technical Director, NIC and letter (Reference no. 162199 dated 09.09.13) to Sri Vinay Thakur, Senior Tech. Director, NIC.

You are kindly aware that the Rural Development Department, Govt. of Bihar has taken an initiative in the form of project "e-Shakti" through the use of information & communication technology enabled systems and components to increase the transparency and accountability in MNREGS implementation.

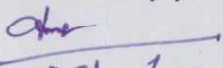

The project "e-Shakti" uses Information Technology application to bring effective coordination in execution, better targeting of beneficiaries, establishing transparency and accountability, web-based Grievance Redressal Mechanism and establishing state of art Financial Management System integrated with workflow Automation and Management Information System.

The MIS related to eShakti application has to be uploaded to NIC portal for proper integration of "e-Shakti" server/system and NIC Portal for seamless transfer of data/information between the two systems at real time. In the past, under the guidance of Ms Madhuri Sharma and Sri Vinay Thakur, representatives of the project implementing vendor's (M/S Smaartechnologies Limited, Mumbai) technical team and NIC technical team had some discussions related to integration but more needs to be done.

Therefore, I would request you to kindly advice Senior Technical Director, NIC to provide technical support/consultation in this matter and allow RDD, GoB to use Offline Backup Upload Method to upload the required MNREGA data from e-Shakti data base.

With regards

Sincerely yours

28/11/13
(Amrit Lal Meena)
