**Review Comments on Revised PMRDF Guidelines.**

Sir,

The review comments are being sent to your in reference to the letter no. D. No. K-17060/2013/PMRDF, Dated 15th May, 2013, in which few Points have been suggested.

The whole documents has been able to put together more compact framework with defined specific issues to lead the PMRD fellowship towards its objectives. Below are the points suggested that could be included in the draft.

1. State to involve PMRDF in all State level events vis-a-vis RD programs like workshops, capacity building trainings vis-a-vis variety of subjects pertaining to rural development.
2. PMRDF to report to State about their experiences in flagship prgram implementation once a month through Presentation to RDD. A reporting format is to be developed.
3. Invovement of State in the appraisal of PMRDF. Separate points to be given by RDD (state department)
4. Pre-planned quarter-wise objective work plan for execution prepared by PMRDF in the state of the financial year.
