Subject: - Regarding use of separator in generation of .pdf file for Draft List of SECC-11

Sir,

With reference to the subject mentioned above, this is to state that Government of Bihar has taken an extra initiative to provide hard copy of information of draft list of a household to the head of that concerned household. In this regard, it is essential that a separator be used after every household so that print out of a household can be taken separately.

It is, therefore requested that BEL may please be advised to use a separator after Household in the software prepared for generation of .pdf file for Draft List of Socio Economic and Cast Census (SECC)-11

With regards,

Yours Sincerely,
