2. INTRODUCTION

2. About

2.1 About Rural Development Department, Government of Bihar/ Registrar's project

Rural Development Department, Government of Bihar is the Registrar for Aadhaar Enrollment in Bihar. The UIDAI project in Bihar was implemented through NPR under RGI earlier and a few Non-State Registrars. The enrollment done by these agencies is roughly one crore fifteen lakh. Now the project has been entrusted to Rural Development Department, Government of Bihar to enroll the balance residents of Bihar as per UIDAI standards and guidelines.

2.2 About the Project

Government of India (GoI) has embarked upon an ambitious initiative to provide a Unique Identification (called "Aadhaar") to every resident of India and has constituted the Unique Identification Authority of India (UIDAI) for this purpose. The timing of this initiative coincides with the increased focus of the GoI on social inclusion and development through major thrust on investments in various social sector programs, and transformation in public services delivery through e-Governance programs. Aadhaar has been envisioned as a means for residents to easily and effectively establish their identity, to any agency, anywhere in the country, without having to repeatedly produce identity documentation to agencies. More details on the UIDAI and the strategy overview can be found on the website: <http://www.uidai.gov.in>

To ensure the widespread implementation of the UID project there is a need to increase the reach and flexibility to enroll residents across the country. To achieve this, the UIDAI proposes to partner with a variety of agencies and service providers (acting as Registrars, Sub-registrars and Enrolling Agencies) to enroll residents for UID. By participating in enrolling residents, registrars and enrolment agencies across the country would be part of a truly historic exercise, one which can make our welfare systems far more accessible and inclusive of the poor, and also permanently transform service delivery in India.

In this context, the Registrars shall engage EAs for carrying out the various functions and activities related to Aadhaar enrolment such as setting up of enrolment centers, undertaking collection of demographic and biometric data for Aadhaar enrollment and any other data required by the Registrar for the effective implementation of their projects. This Request for Quotation document is intended to invite bids from only those EAs which are empanelled by UIDAI for undertaking demographic and biometric data collection for enrolment of residents for Aadhaar enrolments.

3. INSTRUCTION TO BIDDERS
