Enclosure:

1. Response to Pre-bid queries

RESPONSE OF PRE BID QUERIES FOR "SUPPLY & DELIVERY OF ANDROID BASED MOBILE HANDSET" FOR BRDS MEETING HELD ON DATED 27TH AUGUST 2014

S.No.	Section No. Page No etc	Content of the RFP Requiring clarification	Clarification Sought	BRDS Response
1	4	Tender Cost is Rs. 10000.00	We would request you to reduce the tender cost as Rs. 5000.00	No Changes, as per RFP
2	5	Opening date of Pre-Qualification Bids is August 21st 2014 at 3:00 PM	We request you to correct the date.	Revised date for submission of Bids is September 15th 2014 at 3:00 PM and Opening date of Pre-Qualification Bids is September 15th 2014 at 3:30 PM
3	08 - 1.6.b.	The performance security to be deposited is 2% of the contract price	We request you to correct the same as mentioned at point number 2.13 / page number 13 as : 50% of the performance security in amount equal to 2% of the bid amount to be deposited.	The performance security to be deposited is 2% of the contract price
4	08 - 1.7.a.	Mobile phone should be carrying a provision of 1 Year Guarantee/Warranty	We request you to correct the same as mentioned at point number 2.19 / page number 15 as : 36 months. Pl also add that the warranty certificate shall be furnished by the OEM with serial numbers.	Mobile phone should be carrying a provision of 1 Year Guarantee/Warranty
5	09 - 2.1.iii.	Point number 2.14iii/ page number 14 as : Profitability for last 2 Years.	We request you to correct the same as : Vendor should be a profit making Company/Firm for at least 3 years as evidenced from the CA Certificate/Balance Sheet	No Change as per RFP
6	Nil	No Experience criteria has been fixed for the participating vendor	We request you to fix few eligibility criteria in terms of the experience of the participating vendor, such as :- 1. Copies of Government orders of GPS, Geo-Tagging enabled mobile phones-tablets, valued at Rs. Three crores in last 3 years. 2. Experience of district wise delivery in Bihar, of GPS based devices, worth Rs. 50 Lakhs in one single Government order in last 3 years. 3. Bidder should be at least ISO 9001, 14001 certified company. 4. The Bidder must have at least Rs two Crore worth banker solvency certificate.	Not required. OEM Specific product and Warranty /services covered by OEM only
7	Nil	Navigation : "Google Maps for Geo-tagging"	Logic : Nokia Here maps are capable of undertaking Geotagging of photographs captured. Best part is even in remote rural areas this capability is possible, even on an offline mode as well wherever there are Operator connectivity issues. Even if the application has been made on an android platform, only the API's need to be ported to Here Maps (which takes approx.. about 2 -3 hrs max. via the developer team) & the solution would be ready to use.	No Change as per RFP

8	Nil	Google Certification	Logic : Nokia X Series is on the "AOSP" meaning "Android Open Source Platform", wherein any OEMs can use this particular open source platform for their respective devices. This has been developed by Android so that more & more OEMs adopt their platform as required specifically for any particular purpose in any country / geographical area.	No Change as per RFP
9	Nil	Android Version : 4.4 kitkat version	Logic : Nokia X series is on the 4.3 Android Jelly bean version using its own UI. This version is enough to undertake the purpose & objective of RDD's project.	No Change as per RFP
10	Nil	General Query	In a bid qualification only top 10 global companies have been invited . This deprive chances of other good companies who have products which matches the specifications required & have quality at par with top 10 global companies . Moreover most of the top 10 companies are of Chinese Origin & don't have their after sale service centres in all districts of Bihar which will be cause of concern for users. Kindly allow other companies who though are not in top 10 but fulfills required product specifications & have After Sales Service Centre all districts of Bihar.	No Change as per RFP
11	Nil	General Query	Tender has been published on 24th August 2014 & 3rd September 2014 is the last date . Sir request you to please grant 3 weeks time since date of publication for submission as 10 days time would be too short for preparation.	Revised date for submission of Bids is September 15th 2014 at 3:00 PM and Opening date of Pre-qualification Bids is September 15th 2014 at 3:30 PM
12	Pg-18,Annexure-3	Processor-dual core 1.2 GHz	would request you to change it to Dual core 1 GHz or above suffice the required need of NGNREGA and IAY applications along with smooth running of KITKAT OS.	No Change as per RFP
13	Pg-9, clause 2.1	Eligibility criteria of bidders	Being a big project you must ask experience of OEM of executing or supplying in big projects and providing supporting document for same	No Change as per RFP
14	Pg-18,Annexure-3	Navigation technology-GPS with Google maps & Geo-tag	since these handsets will be used in remote areas for MGNREGA & IAY applications, it has been seen in past projects that GPS response in these areas goes weak which hampers delivery timeline of the project, this happens if the handset are software dependent rather than having their own inbuilt GPS	No Change as per RFP
